- **Book Donation/Discarding Issue**

The individual with concerns regarding MCPL’s book donation policy and procedures continues to voice concern regarding to whom MCPL donates books and how the books that are unsold are disposed of by Friends of the Library, Montgomery County, Inc. This individual has posted items on Facebook and LinkedIn and sent emails to different groups, including the Regional Services Centers’ directors, asking them to join in the campaign to convince Libraries to stop pulping books.

MCPL met with this person on May 21 with answers to over 40 questions which the individual submitted prior to the meeting. The individual cut the meeting short, at which time they were invited to come back. It was expressed to them our willingness to sit down and talk in an effort to pursue a mutually beneficial relationship.

- **Deaf Cultural Digital Library**

MCPL has been asked by the State to develop a Deaf Culture Digital Library for the deaf and hard of hearing residents. Funding from the State will provide for two staff persons, materials and resources.

- **Savings Plan**

The County Executive has decided that a savings plan is necessary for FY16. The details and scope of the savings plan are unknown at this time. As a result of this information, there will be no moves taken at this time to implement any of the increases that were included in our approved FY16 budget:

- Hours and staff
- Collection
- Go! Kits

- **The Library Card Initiative** (a library card in the hands of every school student in Montgomery County) On June 4, a very successful program was held at which every student at the Gaithersburg Elementary School (GES) was given a library card from MCPL. The Assistant State Superintendent for Libraries, Irene Padilla, attended. She was interviewed by County Cable Montgomery and said positive things about MCPL.
- **Silver Spring Library**
 - Gala – June 12, 6:30 PM
 - Grand Opening - June 20, 11 AM
- **Refresh Projects**
 - No confirmed dates.
- **Wheaton Library**
 - Closing February/March 2016 with construction scheduled to begin in July 2016. The community would like to have interim services; this will be a decision made by the County Executive.
